### **COVER LETTER**

My name is Gabrielė Putrinskaitė and I am applying for the position of underwater photographer in your company. I found information about the job in a site called [underwaterphotography.com](http://underwaterphotography.com)

I would like to take the job because I really enjoy photography and the ocean. I think I am skilled enough for the work because I have taken underwater photography courses. I have attended them for two years and now I am a certified expert. I also am a friendly person who can work in a team.

I am very excited about this job and I am sure I can tell you more about myself when we meet in person.

Sincerely,  
Gabrielė Putrinskaitė
