I am Nojus Gudaitis, and I want to apply for the position of a dolphin trainer.

I would like to work as a dolphin trainer, because I really enjoy working with dolphins. I have experience in this job. I help dolphins to learn new tricks, so they can impress the audience. I have been a dolphin trainer for seven years now. Dolphins interest me by their unique abilities to learn skills very fast. Dolphins can paint, balance a ball on their nose, shoot a ball in to a basket, and a lot more.

I would really like to meet you in person, and talk about more details about me, my skills, and the job. I hope we will meet soon.
